

# ALKON NEWS

**Trusted Performance** for pneumatic and hydraulic components designed for industrial and mobile application.

## Tow Bar Jack Success Story

A leading ground support equipment manufacturer needed a solution for a tow bar jack that could withstand extreme demands in the field. By partnering with Star Hydraulics, an Alkon Corporation brand, they received a custom-engineered unit with superior sealing and corrosion resistance — delivering durability, smooth performance, and reduced maintenance costs.

## Food Processing Success Story

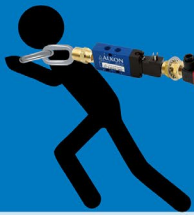

When a major food processing equipment manufacturer needed a hygienic Valve-in-Head® actuator to handle washdowns, high humidity, and strict safety requirements, they turned to Alkon. Our solution met food safety standards, improved uptime, and reduced replacement costs — proving that our expertise goes beyond performance, delivering lasting value in demanding environments.
